What is Parent Café?

Diamond Street Early Childhood Center is proud to host our Parent Café which models the national “Be Strong Families”– Parent Café.

Parent Cafés are based on the principles of adult learning and family support and are a gateway to providing parent leadership opportunities.

Attendees will receive free resources that will strengthen you as a parent which in turn will strengthen your family and our community. One of these resources being “Living the Protective Factors” book. The protective factors can assist you-not only as a framework, guidelines and information that live in your head-but in day to day life. This book breaks it down-showing you how you can awaken to your potential as a parent by living the protective factors!
