

Diamond Street Newsletter

June 2018

WARBLERS: It's going to be a little buggy this month! We will be making a big bee hive to put on our door with lots of bees from our warbler's little toes. A big caterpillar will be placed in the child's eye level with pictures along its body of the children playing together. Lastly, we are going to celebrate our dads by sending them home a special treat from their little one.

BLUEBIRDS: For the month of June the bluebirds will be learning all about the beach. We'll start talking about transportation and how we are getting to the beach. They will be playing with cars and trucks in some new ways, like coloring with cars. The next week the children will be learning about things you would see on a beach and things they can do. We will also have sensory play with sea shells. The following weeks we will learn about things in the ocean. They will be learning new vocabulary and making ocean scenes. The bluebirds will also be welcoming 2 new children from the warblers.

ROBINS: This month there will be a lot of transitions and special things happening so make sure to look at our calendar. June, to me, means summer and relaxing and just having fun. This is what our main goal is for the summer after learning a lot this past year. This month we will be learning about caterpillars and how they become butterflies and eventually we will have caterpillars in our class to observe. We will also be refreshing our minds about the beach. On Wednesday the 13th we will be having a time where the dads can come in and eat some donuts with their child. Be on the look out for more details in the near future.

HUMMINGBIRDS: June will be a very busy month for the Hummingbirds. Some of our

friends are moving up to the Cardinal Room and we are getting some new friends from the Robin Room. It will be so much fun getting acquainted with our new friends. We want to end our "school year" with a bang. Our last week we will be celebrating everyone's birthday. We will culminate the week with a birthday party. More information about this will be going home very soon. Other topics for June will be Welcome Summer, Ice Cream, and the Art and Stories of Eric Carle. We will also start having weekly water play days (weather permitting of course). We are looking forward to a fun-filled month.

CARDINALS: In the month of June we will get to start Water Play days on June 19th. We will also be learning about the Beach and the Ocean. After this we will start learning about Space. We will be getting new friends such as Clark, Jameson, Camden, Ethan, Cheyenne and Gavin. We will say goodbye to Collin, Liam, Sierra, Luke, Hazel and Kohlton.

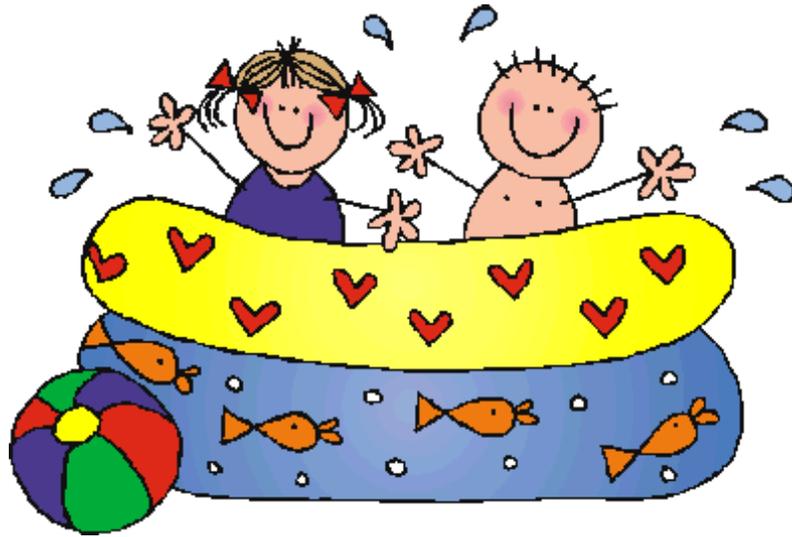

SWANS: Welcome to the Doves' class! I am so excited to have your child this summer in our class. Ms. Kelly and Ms. Meagan will be your child's teachers. We are looking forward to a lot of fun! Please refer to the monthly calendar for special days such as bike days, water play etc. We will start the month off talking about feelings and controlling our bodies through drama, dance and discussions. I talked to the children about what they would like to learn about this summer. And so, by request, we will start a unit on Famous Artists in June. Look for lots of fun artwork coming home! We are looking forward to learning about and copying styles of art. As always, feel free to talk to me about any concerns in person or email. You will

be getting a class email address list after summer starts.

ORIOLES (PRE-K COUNTS): The Orioles will graduate PreK on Thursday, June 7th. We will have a special graduation party beginning at 2:00 that day. Everyone is welcome to join us in celebrating the children's accomplishments this year! We will have snacks afterward to celebrate. It has been such a joy to have these kids in the Orioles class this year, and I hope everyone has a great summer. Have fun in Kindergarten friends!

KINDERGARTEN: As the school year is coming to an end, I would like to say thank you to all of the students and their families for a wonderful year of learning and laughs. The kindergarten class is so proud of their accomplishments and we are looking forward to our graduation on June 7th!

EAGLES: Summer is ALMOST here! Just a reminder that we ARE providing care for the Eagles on their last day of school. Friday June 8th, they will be coming to us around 12:30. When the eagles arrive we will begin our end of the year party also. To ensure we are prepared, please make sure you sign up on the signup sheet posted outside of the room! Lastly, spots are filling up fast for our 18-19 school year, if you have not yet signed your child up, please do so in the DSECC front office!

Diamond Street Happenings

Water Play:

Water play starts June 19th. Be sure to bring an extra change of clothes, a bathing suit and sunscreen.

Thank you to all who joined us at the Family Picnic on June 1st.

It was wonderful to have you there!

Summer Camp Begins on Monday June 11th.

Last Day of School for Swans, Orioles and Owls is Thursday June 7th.
